STEVE HARPER

IS YOUR CORPORATION OR CONFERENCE READY TO RIPPLE?

Steve Harper, AKA Mr. Ripple, has become one of the most sought after speakers and business strategists on the power of deepening and strengthening the power of connections through a process he calls "Rippling." Steve's unique and refreshing approach to how and why individuals, organizations and even our society can and must reach outside the box to connect, is literally changing lives and impacting corporate bottom line dollars.

Steve is a captivating speaker who can motivate and inspire corporate and conferences audiences of any size. His fun, thought provoking stories and anecdotes will have you laughing, thinking and questioning how you conduct yourself in both your business and personal life. Steve is passionate about helping his audiences learn to apply the power of The Ripple to maximize their own individual or corporate success. There is no doubt you will walk away from one of Steve's sessions with a new perspective, some great ideas and practical techniques which can be applied and implemented immediately

So are you Ready to Ripple?

CREATING MAXIMUM RIPPLE

YOUR KEYS TO SUCCESS.

KEYNOTE:

This uplifting inspirational message designed to awaken audiences of all types to recognize and apply the concepts of The Ripple Effect to positively impact their personal and professional life. The audience will be left energized and motivated by several unique and timely strategies for maximizing relationships. All of these can be put into immediate action. (45 minutes - 1 Hour)

CONNECTION POINTS

UNLOCK THE SECRETS TO MORE SUCCESSFUL RELATIONSHIPS
GROUP TALK & BREAKOUT:

Steve brings the power of creating connection points home with humorous stories of "life in the trenches" and how one can turn ordinary connections into lifetime clients, friendships and more. Steve will walk audience members through simple yet effective strategies for turning common connection points into powerful anchors. (90 minutes - 4 hours)

THE 8 MINUTE RIPPLE™

FACILITATED ACTIVITY· THE ULTIMATE ICEBREAKER!!!

A fun, interactive event that creates and strengthens connections. Presented in a comfortable, facilitated and safe environment, participants will be amazed with the valuable and rewarding connections they will make. In life it is about building trusting relationships in business and life; this event can literally put you on the fast track to doing that and then some! (1-2 Hours)

* All keynote speeches and workshops are customized to meet your organization's specific needs.

What Others Are Saying

"Steve is genuine with the people that he meets and genuine in his belief in the power of positive Ripple Effects, and it is this combination that makes his concepts possible. Being genuine is the fuel for creating positive Ripple Effects."

- ADAM FRISHMAN Program Chair - American Marketing Association and Corporate Development - Moster-Wynn Law Firm

"Steve Harper understands the power of personal connection and how it can drive teamwork to new levels. I would highly recommend Steve and his firm to any organization."

- BRETT A. HURT Founder & CEO - Bazaarvoice

"Steve came to our Ticketcity office, engaged our employees with fascinating stories and concepts and helped them learn to Ripple. The results were fantastic and made an immediate impact on our business."

- RANDY COHEN Founder & CEO - Ticketcity.com

"Steve's personable tone, enthusiasm and hands-on experience of his topic were evident during his presentation. In the follow-up Q&A session he showed a real gift for connecting with people one-on-one, quickly understanding, and offering a thoughtful response to their questions."

- JULIE TERESHCHUK President - Freelance Austin

"Steve's humorous and lively presentation make it a most memorable event for our members. The exciting lively discussion surrounding his topic was testimony to the relevance of his concepts and ideas to the Austin coaching community."

- SUSAN FRANZEN Program Chair - International Coach Federation

"Steve's message is on point and should be heard by companies of all sizes. His Ripple message can and will make an impact on your company's bottom line."

- MICHAEL MERCIECA - Microsoft Corporation

"Steve blew my team away with his engaging personality and incredible stories. Our sales team typically hate trainings or motivational speakers but then again they hadn't heard something quite like Steve before!"

- GEOFFREY RYDER - Grande Communications
